All sessions are held at the Pennsylvania Convention Center.

Apple Pop-Up Classroom — Exploring Creativity | Room 202AB

Sunday, June 23

Noon to 5:00 p.m.

Join us for an immersive learning experience that's possible only with iPad. Unleash your creativity through drawing, photography, video, music, coding, and augmented reality. Get hands on with fun activities, then take your projects home to share with peers.

Monday, June 24

8:30 a.m. to 12:30 p.m.
1:00 to 5:00 p.m.

The demand for entry into the Apple Classroom will be high. We'll manage a continuous line outside the room and provide estimated wait times regularly to help you monitor your schedule. Plan to be in the Apple Classroom for 20 to 30 minutes. iPad devices will be available for use during this session.

Tuesday, June 25

10:00 a.m. to 1:00 p.m.
1:30 to 5:30 p.m.

If you're unable to join us in person, we'll be providing all the activities, lesson ideas, and follow-up examples from other teachers in the Apple Teacher Learning Center. You can download the [Exploring Creativity Workbook](#) to experience the activities on your own iPad.

Wednesday, June 26

8:30 to 11:30 a.m.
Noon to 3:00 p.m.

Spotlight Sessions

Creativity at the Heart of Learning — An Update from Apple | Room 201BC

Monday, June 24

9:00 to 10:00 a.m.

Apple is proud to support the great work of teachers. From building fun curriculum to tools that make it easy to use iPad in the classroom, we help put creativity at the heart of teaching and learning. Hear what's new and get inspired by teachers who are using iPad to design learning moments that last.

Tuesday, June 25

10:45 to 11:45 a.m.

This session will be offered twice. Demand for entry into the Spotlight Session will be high, and access is on a first-come basis.
