Need a little extra help with applying all of those exciting ideas and concepts from the initial hybrid training to your portfolio artifacts and alignment map?

Over the next several months, ISTE will host three virtual "office hours" sessions and you are cordially invited to attend.

During the virtual office hours, you will be able to pose your pressing questions to ISTE Certification staff and faculty including Dr. LeeAnn Lindsey, who was one of the principal designers of the ISTE Certification for Educators program and who currently consults with ISTE on key aspects of the portfolio submission process.

You're welcome to submit your questions in advance of the meeting so that we can identify common issues and address them during the call.

Listed below are the upcoming meeting dates and times. If you are unable to attend, please note that each session will be recorded and posted to the portfolio submission space in Brightspace.

February Portfolio Office Hours:

- Thursday, February 28, 2019 at 1pm-2pm PST (2pm-3pm MST, 3pm-4pm CST, 4pm-5pm EST)
